

August 2005

Applicant: Costco Wholesale

Project Name: Komar Desert Center

Receiving Water: Coachella Valley MWD La Quinta Evacuation Channel
(a tributary to the Whitewater River)

Location: 33° 42' 40.03" N. Latitude, 116° 15' 57.48" W. Longitude

Project Description: This proposed commercial development will place utility, sewer and water lines in a cut and cover trench across the Coachella Valley MWD La Quinta Evacuation Channel. The Channel passes to the southwest of the development site and flows from the southwest to the northwest and drains into the Whitewater River.

Action: Pending
